

CONSTITUTION AMENDMENTS

The focus of the FSPP will shift to utilise its capital for the benefit of the Pool with the FSPP discretion. The Objective is to allow the FSPP board a broader mandate with regards to its accumulated capital and add value to the pool complex. It is important to understand that the FSPP will continue its social development effort. However, as the FSPP forecourt has improved and grown in the past several years, the cashflow generated allows for more significant impact with its capital.
